

Committee Chair

Committee chairs participate in division meetings—a great way to network.

Division Trustee

Division appointees typically have experience on committees under that division.

Division chairs participate in council meetings.

Council Trustee

Council appointees typically have experience on committees and divisions.

Committee Participation

Try out one or two different committees to see which one fits you best.

Join a Committee First

Fill out the volunteer form at www.awwa.org and click on Membership Get Involved Volunteer Application.

Board of Directors

The TEC chair sits on the Board of Directors.

AWWA Executive Committee

The TEC chair sits on the AWWA Executive Committee.

What Interests You?

Are you interested in membranes, conservation, workforce issues, or plant design? Look on the back for a list of divisions and their committees. Find a committee and follow the path!

AWWA President-Elect

Prior AWWA Board experience is a prerequisite to running for president-elect. The candidate is elected by the Board of Directors.

TEC Volunteer Opportunity Path

American Water Works Association

For more information on each division and committee, go to the AWWA Web site and look under *Membership>Get Involved>Committees and Councils* or contact the staff secretary.

Engineering & Construction Division

Lois Sherry, AWWA Staff Secretary: lsherry@awwa.org

- Instrumentation & Control
- Engineering Modeling Applications
- Water Supply and Distribution Facilities
- Water Treatment Facilities Design & Construction
- Membrane Systems Subcommittee
- Infrastructure Management
- Joint Capital Delivery/Associated General Contractors

Management & Leadership Division

Lois Sherry, AWWA Staff Secretary: lsherry@awwa.org

- Workforce Strategies
- Health, Safety & Environment
- Customer Service
- Strategic Management Practices
- Finance, Accounting & Management Controls
- Rates & Charges
- Management Development
- Emergency Preparedness & Security

Distribution & Plant Operations Division

Lois Sherry, AWWA Staff Secretary: lsherry@awwa.org

- Water Main Rehabilitation
- Cross-Connection Control
- Customer Metering Practices
- Distribution Operations & Maintenance
- Corrosion
- Energy Management
- Fire Protection
- Water Loss Control
- Operator Involvement
- (Top Ops, Tapping, Meter Madness, World Water Cup)
- Treatment Plant Operations & Maintenance

Small Systems Division

Lois Sherry, AWWA Staff Secretary: lsherry@awwa.org

- Small Systems Continuing Education
- Small Systems Outreach Services

Water Quality Technology Division

Linda Moody, AWWA Staff Secretary: lmoody@awwa.org

- Coagulation & Filtration
- Distribution System Water Quality
- Disinfection Systems
- Emerging Water Quality Issues
- Membrane Processes
- Organic Contaminants Control
- Organisms in Water
- Taste & Odor
- Water Quality Laboratory
- Water Treatment Plant Residuals Mgt.
- Inorganics
- Biological Drinking Water Treatment

Water Conservation Division

Linda Moody, AWWA Staff Secretary: lmoody@awwa.org

- Communication, Education & Legislation
- Planning, Evaluation & Research
- Water Efficiency Programs & Technology
- WaterWiser Advisory Committee

Water Resource Sustainability Division

Linda Moody, AWWA Staff Secretary: lmoody@awwa.org

- Groundwater
- Water Desalting
- Water Reuse
- Water Resources Planning & Management
- Source Water Protection
- Climate Change

Water Science & Research Division

Linda Moody, AWWA Staff Secretary: lmoody@awwa.org

- Particulate Contaminants Research
- Inorganic Contaminants Research
- Organic Contaminants Research
- Microbiological Contaminants Research
- Residuals Management Research
- Distribution Research
- Plant Operations & Energy Management Research
- Small Systems Research
- Health Effects Research
- Membrane Technology Research
- Information Management & Technology Research
- University Student Activities Committee
