Scholarships

AWWA provides over $200,000 annually in scholarships and awards. We recognize the importance of investing in students as the future of the water industry. AWWA’s Water Equation manages the more than 20 scholarships to support student water industry education.

Below is a description of a few of the scholarships available. For a full list of opportunities, details, and to apply—please visit awwa.org/scholarships.

**AWWA ABEL WOLMAN FELLOWSHIP**
This two-year fellowship provides an annual $30,000 stipend to students in the United States, Canada, and Mexico who are pursuing advanced training and research in the field of water supply and treatment. To accomplish this objective, a doctoral fellowship funds up to two years of research studies for one outstanding student. The initial award for one year is $30,000, with a second year of support available if needed.

Deadline: Early December

**AWWA LARSON AQUATIC RESEARCH SUPPORT (LARS) SCHOLARSHIP**
Provides financial support to graduate students preparing for careers in the fields of science or engineering.

Awarded annually. Will provide one-time funding for two scholarships:
- $5,000 for a master’s student
- $7,000 for a doctoral student

**ADDITIONAL AWWA SCHOLARSHIPS**
The AWWA Scholarship program provides opportunities for students seeking undergraduate and graduate degrees. Please visit the full list at awwa.org/scholarships.

**SECTION SCHOLARSHIPS**
AWWA Sections award more than 100 scholarships to local students ranging from $100 to $5,000. These scholarships are in addition to the AWWA Scholarships.

---

**Jump-Start Your Career**

Get help with your schooling by applying for one of the many scholarships AWWA offers.

Find the books and resources you need for class through the AWWA Store; members get up to a 30% discount on books, research reports and more.

When you are ready to look for a job, visit AWWA’s Career Center. In the Career Center you can:
- Search new job opportunities in your area
- Post your resume so potential employers can contact you
- Access career resources

---

**Connect With Water Professionals**

Make a connection that could lead to your next job. Meet a mentor at a local event. Network with water-sector leaders at conferences across North America. These are just some of the opportunities available when you join one of the over 80 AWWA Student Chapters!

Your school doesn’t have one? Follow these three easy steps to get started:
1. Recruit five Members
2. Find a faculty or staff advisor from your college/university to support your group
3. Communicate with your local Section, the AWWA Student Program Manager, and your college/university student clubs/organization office that you are ready to get started!

To Start Your Career as a Water Professional, AWWA Membership is the Solution.

Join AWWA for only $20!

**Student Membership** is for:
- A degree-seeking individual attending an accredited educational institution enrolled in the number of hours required by the institution for half-time or full-time status

---

About AWWA

Established in 1881, the American Water Works Association is the largest nonprofit, scientific and educational association dedicated to managing and treating water, the world’s most important resource. Through membership, AWWA creates products, services, and information that help utilities with day-to-day operations, inform the public, improve public health, protect the environment, strengthen the economy and enhance our quality of life.
**Annual Dues (A1)**

**Student $20**
A degree-seeking individual attending an accredited educational institution enrolled in the number of hours required by the institution for half-time or full-time status. (14)

Dues rates valid through December 31, 2020. Dues are not deductible as charitable contributions for income tax purposes. Dues may be considered ordinary and necessary business deductions. The following is for USPS periodical mailing requirements only. In some AWWA Sections, a portion of the Section allotment equal to 50% or more of the domestic subscription rate charged for the Section periodical will be allocated toward a subscription to that periodical. Allocation for each publication recipient authorized—Journal AWWA—$50; Opflow—$16. Student Members and members with APO/FPO addresses will receive e-periodicals only. NOTE: Members’ contact information is protected under AWWA’s Privacy Policy.
