AMTA/AWWA Membrane Technology
Conference & Exposition Exhibitor Rules

This exposition is sponsored and managed by the American Membrane Technology Association (AMTA) and the American Water Works Association (AWWA)

1. PURPOSE OF EXPOSITION: The exposition is an integral part of the conference, complementing the technical sessions and enabling registrants to interact with experts, examine and evaluate state-of-the-art equipment, supplies, services, and technologies related to the water industry. Exhibitors should plan their exhibits for this purpose.

2. ELIGIBILITY: Any company manufacturing or providing products for or services to the water industry in the area of membrane processes and treatment is eligible to exhibit.

ASSIGNMENT OF SPACE: The Exhibitor Application is the only means by which an exhibitor may reserve exhibit space. Booth space will not be assigned without proper payment per the dates printed on the booth application. Priority points are for use during initial on-site space assignment only, taking place at the previous year's conference. After on-site space assignment, all booths for the conference will be assigned on a first-come, first-served basis and priority points no longer apply.

Priority points are earned as follows:

- 1 point is awarded for each 10’ x 10’ paid booth
- 1 point is awarded for AMTA and/or AWWA Organizational Membership (must be current through the end of the conference).

Exhibitor’s total priority points may be used during initial onsite space assignment to determine Exhibitor’s ranking for choosing booth location. Preferred booth location choices and booth separation of Exhibitor cannot be guaranteed by AMTA/AWWA. After on-site space assignment AMTA/AWWA will assign exhibit space on a first-come, first-served space-available basis. AMTA/AWWA reserves the right to assign or reassign Exhibitor’s booth space so that the arrangement of the exposition is in the best interest of all attendees and exhibitors.

Points are considered an asset of the exhibiting company. In the case of a merger or purchase, the purchasing company must provide written proof of its purchase of the assets of that company. The parent company/purchasing company may use the higher points of the companies, thereby eliminating the lower points. Priority points cannot be combined. If the acquired/purchased company wants to keep all or a portion of the points this must be negotiated as part of the sales document.

Loss of priority points may occur if Exhibitor does not comply with the Rules. If Exhibitor does not exhibit at a specific conference for two consecutive years all accumulated priority points will be forfeited.

4. PAYMENT POLICY: All booths are standard booth size units or multiples thereof. A deposit of 25% must accompany the application. Final payment is due by the final payment date indicated on the application. If not paid the booth space may be cancelled and reassigned at AMTA/AWWA’s discretion.
5. **CANCELLATION AND REFUND POLICY:** Exhibitor must give notice of cancellation to AWWA in writing. The following will apply to cancellations of any or all portions of exhibit space reserved:

A. 25% deposit will be forfeited if cancellation is received by the early cancellation date indicated on the exhibitor booth application.

B. no refund will be made after the early cancellation deadline indicated on the exhibitor booth application. Unoccupied space may be reassigned by AMTA/AWWA

If Exhibitor reduces the space reserved, this cancellation policy will apply to the cancelled portion of space, and AMTA/AWWA reserves the right to relocate Exhibitor to new booth space to serve the best interests of the conference. In fairness to all exhibitors involved and to AMTA/AWWA, the above policies regarding space assignment, payments and refunds, will be strictly adhered to by AMTA/AWWA.

A. Exhibitors agree to limit the service and or materials/products displayed in their exhibit area to those purveyed by the exhibitor, with the exception of other proprietary equipment used for the purpose of demonstrating the materials or services of the exhibitor. Such proprietary equipment may not be promoted in any manner.

The intent of this rule is to enforce the policy that exhibitors may not assign, sublet or share any part of the exhibit space contracted to them. Only division companies with a common parent company may lease booth space jointly, and a minimum of one standard booth per division is required. For program/directory listings, only one company name listing is allowed per each standard booth space.
B. All material used in exhibit booths must be fireproofed and conform to all fire department regulations. Exhibitors planning demonstrations requiring open flames, any kind of compressed gas or explosive fuels, heat, etc., are required to contact the city fire marshal and give pertinent information that allows approval to be obtained in advance. Copies of all correspondence should be sent to AWWA Show Management. Exhibitors must accept full responsibility for compliance with national, state, and city fire safety regulations.

C. Any equipment demonstrations or other sales presentations must be confined to exhibitor’s booth, and at a volume so nearby exhibitors are not bothered. Any form of attention-getting device or presentation must be terminated when crowds jam aisles or infringe upon another exhibitor’s area. No flashing lights or other distractions are permitted.

E. All exhibitor business activities, give-aways and advertising matter may only be conducted and/or distributed within the exhibitor’s assigned booth. Persons found canvassing the exhibit hall will be asked to leave the premises. Prizes, drawings, awards, raffles, lotteries, or promotion of special discount offers must be equally offered to all attendees, and only promoted within the exhibitor’s assigned booth. Exhibitors are responsible for security and storage of give-away items. Exhibitors are not allowed to solicit, which includes placing signs or handouts on any conference hotel and convention center grounds or their respective parking areas.

F. No retail sales. Exhibitors are not permitted to sell products for delivery at the show. Orders may be taken for future delivery only. Show management is exempt.

G. Any surveys must be conducted within the exhibitor’s booth space only and must contain the following disclaimer in print on the survey: “Data in this survey is not being submitted to or collected by the American Water Works Association or the American Membrane Technology Association”. Surveys require prior written approval from AMTA/AWWA Show Management.

8. BOOTH APPEARANCE REQUIREMENTS: All exposed parts of displays and/or equipment must be finished or covered in a professional manner so they do not present an unsightly appearance when viewed from adjoining booths or aisles. Show management may order masking drape at exhibitor’s expense, without prior consent or knowledge of the exhibitor, where it is deemed necessary.

14. INTERPRETATION AND ENFORCEMENT: Each exhibiting company agrees to abide by these rules and regulations when the exhibit space reservation form is signed by its exhibiting company. These rules and regulations become part of the contract between the exhibitor and AMTA/AWWA. AMTA/AWWA has full power of interpretation and enforcement of these rules and may amend them at any time. All matters in question not covered here are subject to the decision of AMTA/AWWA, and all decisions shall be binding on all parties affected by them. Exhibitors or their representatives, who fail to observe these conditions of contract or who, in the opinion of AMTA/AWWA, conduct themselves unethically or unprofessionally may be immediately dismissed from the exposition without refund or other appeal.
