Granular Filter Material

Effective date: May 1, 2016.
First edition approved by AWWA Board of Directors Nov. 15, 1948.
This edition approved Jan. 16, 2016.
Incorporates Errata dated June 2017.
Incorporates Addendum dated April 2018.
AWWA Standard

This document is an American Water Works Association (AWWA) standard. It is not a specification. AWWA standards describe minimum requirements and do not contain all of the engineering and administrative information normally contained in specifications. The AWWA standards usually contain options that must be evaluated by the user of the standard. Until each optional feature is specified by the user, the product or service is not fully defined. AWWA publication of a standard does not constitute endorsement of any product or product type, nor does AWWA test, certify, or approve any product. The use of AWWA standards is entirely voluntary. This standard does not supersede or take precedence over or displace any applicable law, regulation, or code of any governmental authority. AWWA standards are intended to represent a consensus of the water supply industry that the product described will provide satisfactory service. When AWWA revises or withdraws this standard, an official notice of action will be placed on the first page of the Official Notice section of Journal – American Water Works Association. The action becomes effective on the first day of the month following the month of Journal – American Water Works Association publication of the official notice.

American National Standard

An American National Standard implies a consensus of those substantially concerned with its scope and provisions. An American National Standard is intended as a guide to aid the manufacturer, the consumer, and the general public. The existence of an American National Standard does not in any respect preclude anyone, whether that person has approved the standard or not, from manufacturing, marketing, purchasing, or using products, processes, or procedures not conforming to the standard. American National Standards are subject to periodic review, and users are cautioned to obtain the latest editions. Producers of goods made in conformity with an American National Standard are encouraged to state on their own responsibility in advertising and promotional materials or on tags or labels that the goods are produced in conformity with particular American National Standards.

CAUTION NOTICE: The American National Standards Institute (ANSI) approval date on the front cover of this standard indicates completion of the ANSI approval process. This American National Standard may be revised or withdrawn at any time. ANSI procedures require that action be taken to reaffirm, revise, or withdraw this standard no later than five years from the date of publication. Purchasers of American National Standards may receive current information on all standards by calling or writing the American National Standards Institute, 25 West 43rd Street, Fourth Floor, New York, NY 10036; 212.642.4900; or emailing info@ansi.org.
Committee Personnel

The AWWA Standards Committee on Filtering Materials, which reviewed and approved this standard, had the following personnel at the time of approval:

William W. Allis Jr., Chair
R. Lee Roberts, Vice-Chair

General Interest Members

W.W. Allis Jr., Gannett Fleming Inc., Camp Hill, Pa. (AWWA)
W.F. Clunie, AECOM, Manchester, N.H. (NEWWA)
W. Conlon, Parsons Corporation, Tampa, Fla. (AWWA)
J.R. DeWolfe, Hazen and Sawyer, State College, Pa. (AWWA)
I. Diaz,* Gannett Fleming Inc., Miami, Fla. (AWWA)
K.M. Heffernan, CH2M, Englewood, Colo. (AWWA)
R.E. Hubel, Water Counsel LLC, Virginia Beach, Va. (AWWA)
D.S. Koch, Black & Veatch Corporation, Chicago, Ill. (AWWA)
C.V. Lauderdale, Consultant, Arlington, Va. (AWWA)
T.J. McCandless,† Standards Engineer Liaison, AWWA, Denver, Colo. (AWWA)
R.R. Rogers, CDM Smith, Chicago, Ill. (AWWA)
L. Thomas,† Standards Council Liaison, Stanley Consultants, Crystal Lake, Ill. (AWWA)

Producer Members

K.T. Brown, Northern Filter Media, Quincy, Ill. (AWWA)
T.M. Getting, Leopold, A Xylem Brand, Zelienopole, Pa. (AWWA)
D.M. Oreskovich, Red Flint Sand and Gravel, Eau Claire, Wis. (AWWA)
R.L. Roberts, Roberts Filter Group, Media, Pa. (AWWA)
K. Ryan, Calgon Carbon Corporation, Moon Township, Pa. (AWWA)
T.P. Walter, Unifilt Corporation, Wilkes Barre Township, Pa. (AWWA)
L.M. Zukus,* Leopold, A Xylem Brand, Watstown, Pa. (AWWA)

* Alternate
† Liaison, nonvoting
User Members

M.G. Barsotti, Champlain Water District, South Burlington, Vt. (AWWA)
D.W. Boone, Boyd Lake Water Treatment Plant, Loveland, Colo. (AWWA)
S.E. Creel, American Water, Pennsauken, N.J. (AWWA)
M.J. McFadden, Capital Region Water, Harrisburg, Pa. (AWWA)
T. Meckes, City Water Light and Power, Springfield, Ill. (AWWA)
# Contents

All AWWA standards follow the general format indicated subsequently. Some variations from this format may be found in a particular standard.
