AWWA Water Utility Council

AWWA Standards Council

Standards Council*

A21 Ductile-Iron Pipe & Fittings	Activated Carbon, Powdered & Granular	Aeration Systems	Air Valves	Asbestos-Cement Pressure Pipe	Backflow Preventers	Ball Valves	Business Practices for O & M	Butterfly Valves
Carbon Dioxide	Communications & Customer Relations Program	Composite Elevated Tanks for Water Storage	Concrete Pressure Pipe	Concrete Water Tanks, Conventionally Reinforced C-I-P	Concrete Water Tanks, Tendon Type - Prestressed	Concrete Water Tanks, Wire-Wound Prestressed	Direct Potable Reuse	Disinfectants
Disinfection of Facilities	Distribution Systems O & M	Eccentric Plug Valves	Emergency Preparedness Practices	Fiberglass Weirs, Troughs, and Baffles	Filtering Materials	Fire Hydrants	Flexible Reservoir Covers and Linings	Fluorides
Gasket Materials for Water Works Service	Gate Valves and Swing Check Valves	Grooved and Shouldered Joints	Horizontal & Vertical Line Shaft Pumps	Ion Exchange	Iron/Aluminum Salts/ Related Coagulant Aids	ISO/TC 224: US Technical Advisory Group	ISO/TC 282: Urban Water Reuse	ISO/TC 282: Water Reuse
Knife Gate Valves	Membranes	Online Monitoring	Oxygen for Ozone Generation	Pipe Rehabilitation	Plastic Valve	Polyelectrolytes	Polyolefin Pressure Pipe & Fittings	Protective Interior Coatings for Valves & Hydrants
PVC Pressure Pipe and Fittings	Power Actuating Devices for Valves/Slide Gates	Precoat Filter Media	Progressive Cavity Chemical Metering Pumps	Rate Type Flowmeters	Reclaimed Water	Regulating Valves	Risk & Resilience Management	Scale & Corrosion Control Chemicals
Security Practices for O & M	Slide Gates	Softening & Conditioning Chemicals	Source Water Protection	Stainless Steel Pipe	Steel Elevated Tanks, Standpipes & Reservoirs	Steel Pipe	Stormwater Utility Management	Submersible Vertical Turbine Pumps
Taste & Odor Control Chemicals	Thermosetting FRP Pipe	Thermosetting FRP Tanks	Utility Management System	UV Disinfection	Wastewater - Biosolids	Wastewater - Collection Systems O & M	Wastewater Treatment Plant Operation	Water Conservation Practices
Water Meters	Water Service Line Fittings	Water Treatment Plant	Wells					

*All Standards Committees report directly to Standards Council.
